

ABU DHABI MAJLIS

مجلس أبوظبي

CAR SOCIETY · A SOCIETY, NOT A SCENE.

In Abu Dhabi, **300 private members.**
1M+ monthly viewers. One society.
The capital's car community — open
and exclusive.

Public flagships of 5,000+ attendees with full media coverage. Private gatherings of curated members, brand activations, and collaborations. Two formats. One audience that buys at the top of every category.

WHO WE ARE

Abu Dhabi Majlis Car Society is the capital's most recognised car community. We are open to the public at our flagship meets — bringing together over 5,000+ attendees per event with city-wide media coverage — and tightly curated at our private member level, where 300+ supercar owners, collectors, and executives gather behind closed doors.

Across each season we host 8 public flagship meets and a calendar of private member events — from track experiences at Yas Marina, cross-emirate convoys, and curated brand activations to majlis-style gatherings. Public reach. Private access. Both under one name.

WHO RUNS MAJLIS

HNW partners buy from people, not entities.

“

I didn't build Abu Dhabi Majlis to be the biggest — I built it to be the most meaningful.

A place where real connections are made, where conversations turn into opportunities, and where the capital's true car culture comes to life. This isn't just a car society — it's a circle of like-minded individuals who value presence, quality, and respect for the culture we represent.”

[Ali Ahmed Al Blooshi]

Founder & President, Abu Dhabi Majlis Car Society

LET'S BUILD SOMETHING MEMORABLE.
